Enjoy!

Kagura performance
at Restaurant Hibiki

Restaurant "Hibiki"

One of Hiroshima's most famous restaurants specializing in fresh, local vegetables. In this buffet-style restaurant you can taste original Japanese and Western foods from more than 80 dishes. Closed on Wednesdays 11:00-15:00 (Last entry 14:00)

World Heritage

Mibu no Hana Taue

Mibu no Hana Taue is a traditional rice-planting ritual held in Kitahiroshima. It is performed to pray for a good harvest. Women in colorful costumes plant rice seedlings to the rhythm of drums and songs, and decorated cattle also take part. It is a unique cultural event that combines agriculture and performance, and is recognized as a UNESCO Intangible Cultural Heritage. It is held on the first Sunday every June.

Activity

Enjoy Winter

Kitahiroshima Town is home to three unique ski resorts surrounded by beautiful snowy mountains.

- Yawata Highland 191 Resort
- Geihoku Kogen Osa Ski Resort
- Utopia Saioto

Trekking & E-Bike Cycling

Enjoy cool and refreshing trekking in the Yawata Wetlands, located at an altitude of around 800 meters and surrounded by mountains. Discover rare plants and wildlife in one of Japan's southernmost wetland ecosystems. Wooden boardwalks make it easy for anyone to explore. Explore the beautiful countryside of Kitahiroshima by e-bike. Ride through scenic satoyama landscapes, quiet forest roads, and local villages with a guided tour, and experience nature, culture, and everyday life at a relaxed pace.

Soba Noodle-Making Experience

Try making traditional Japanese soba noodles at the "Soba Dojo." Learn from a Toyohira-style soba master and enjoy making this traditional Japanese dish, even if you are a beginner. The soba you make yourself tastes even better.
